6th WRIST SYMPOSIUM

21. - 23. February 2011

Department of Trauma Surgery and Sports Medicine

Head: o. Univ.-Prof.Dr.M.Blauth

Medical University of Innsbruck

UNFALLCHIRURGIE & SPORTTRAUMATOLOGIE
UNIVERSITÄTSKLINIK INNSBRUCK

under the patronage of

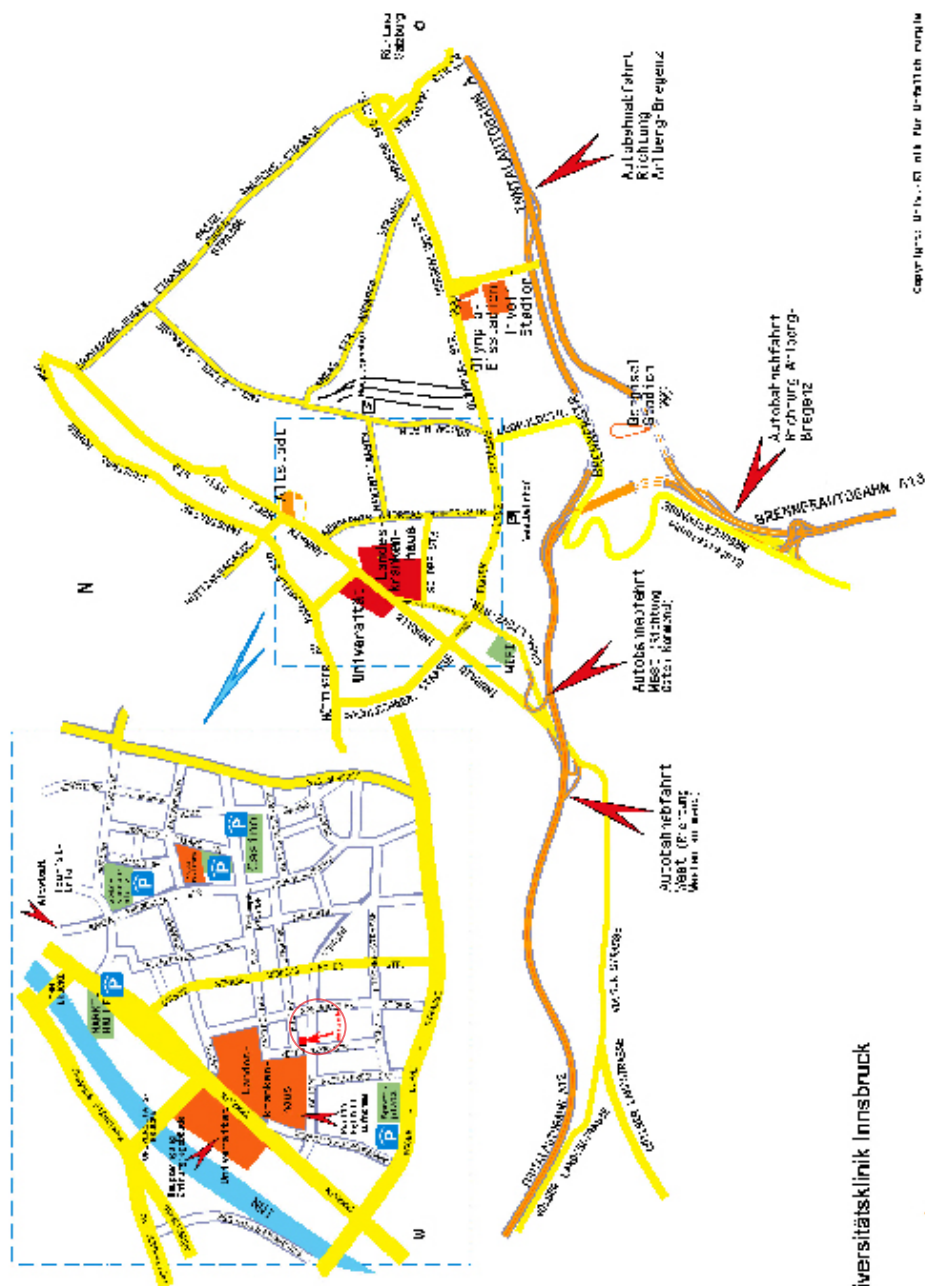

Österreichische Gesellschaft für Handchirurgie (ÖGH)

Società Italiana di Chirurgia della Mano (SICM)

Presidente
Prof. Dr. U. Passaretti

GENERAL INFORMATION

- Organizer:** Handsurgery
Department of Trauma Surgery and Sports Medicine
Medical University Innsbruck
Head: o. Univ. Prof. Dr. M. Blauth
- Institute for Anatomy, Histology and Embryology
Medical University Innsbruck
Head: o. Univ. Prof. Dr. H. Fritsch
- Scientific committee:** Univ. Doz. Dr. M. Gabl
Priv.-Doz. Dr. R. Arora
- Organizing committee:** Priv.-Doz. Dr. R. Arora
- Coordinator SICM:** OA Dr. F. Nienstedt
- Venue:** Institute for Anatomy, Histology and Embryology
Medical University Innsbruck
Müllerstraße 59, 6020 Innsbruck, Austria
- Organizing Secretary:** Ms. Claudia Gebhart
Department of Trauma Surgery and Sports Medicine
Medical University Innsbruck
Anichstraße 35, 6020 Innsbruck, Austria
Fon: (+43 512) 504 - 22843

21. February 2011 - DISTAL RADIUS

07.45 - 08.30	Registration
08.30 - 09.00	Greeting

Distal Radius Fracture (DRF)

09.00 - 09.15	Update: Anatomy Distal radius	Brenner
09.15 - 09.25	Pathomechanism / Classification DRF	Deml/Arora
09.25 - 09.35	The role of CT-Scan in Wrist injuries	Rieger
09.35 - 09.45	Surgical treatment of „complex“ DRF	Gabl
09.45 - 09.55	The role of arthroscopy in DRF	Lutz
09.55 - 10.05	Complications following palmar plating of DRF	Arora
10.05 - 10.30	Discussion	
10.30 - 11.00	Coffee break	
11.00 - 11.15	Intra-articular DRF - is post-traumatic osteoarthritis a major issue	Davis
11.15 - 11.30	Consequences of malunion of DRF - Corrective osteotomy	Gabl
11.30 - 11.40	Complex Regional Pain Syndrom in DRF	Angermann
11.40 - 11.55	Median nerve entrapment in DRF and recurrent CTS	Luchetti
11.55 - 12.30	Discussion	
12.30 - 13.30	Lunch	

DRU-joint and TFCC-disorders

13.30 - 13.45	Functional anatomy of the „forearm joint“	Zimmermann
13.45 - 14.00	TFCC lesions and treatment options (arthroscopic and open)	Atzei
14.00 - 14.15	MRI wrist - bone and soft tissue disorders	Rudisch
14.15 - 14.30	The Symptomatic DRUJ	Nienstedt
14.30 - 14.45	DRUJ - levelling procedures	Schmidle/Gabl
14.45 - 15.00	Distal forearm fractures in elderly	Arora
15.00 - 15.35	Discussion	
15.35 - 16.00	Coffee break	

16.00 - 18.30 **Hands on: Palmar approach and plating, carpal tunnel, dorsal approach, corrective osteotomy, ulna shortening**

19.30 Dinner
 Restaurant „Löwe“
 (Sailergasse 8, Altstadt Innsbruck)

22. February 2011 - SCAPHOID

Scaphoid Fracture (SF) and Nonunion (NU)

09.00 - 09.20	Anatomy, Pathomechanism, Classification, Diagnosis of SF	Schmidle/Gabl
09.20 - 09.35	Acute SF - prediction of outcome with non-operative treatment	Davis
09.35 - 09.50	Limits of distal/proximal screw fixation of SF	Arora
09.50 - 10.05	Natural history SNAC and SLAC	Espen
10.05 - 10.30	Discussion	
10.30 - 11.00	Coffee break	
11.00 - 11.10	Pathology, Diagnosis of scaphoid NU	Gabl
11.10 - 11.20	Fisk-Fernandez procedure for scaphoid NU	Atzei
11.20 - 11.30	Vascularized bone graft from the distal radius	Nienstedt
11.30 - 11.40	Vascularized bone graft from the iliac crest and femur	Zimmermann
11.40 - 12.00	Discussion	
12.00 - 13.00	Lunch	

Soft Tissue Lesions

13.00 - 13.15	Reconstruction of flexor/extensor tendon lesions after palmar plating	Gabl
13.15 - 13.30	Local skin flaps at the metacarpal and wrist level	Zimmermann
13.30 - 14.00	Discussion	
14.00 - 17.00	Hands on: anatomy of the snuff, box, palmar, dorsal approach scaphoid, four-corner-fusion	
18.30	Social Program (see voucher)	

23. February 2011 - CARPAL INSTABILITY

Carpal Instability

09.00 - 09.20	Functional anatomy of the Carpus	Nienstedt
09.20 - 09.35	Classification of Carpal Instability	Luchetti
09.35 - 09.45	Clinical and radiological findings	Deml/Gabl
09.45 - 10.00	Perilunate fracture dislocation	Lutz
10.00 - 10.15	Arthroscopy - diagnostic and treatment	Luchetti
10.15 - 10.45	Coffee break	
10.45 - 11.00	SL-repair: Periosteal Flap	Lutz
11.00 - 11.15	SL-repair: Brunelli Procedure	Atzei
11.15 - 11.30	SL-repair: Bone-Ligament-Bone Procedure	Espen
11.30 - 11.45	Indication and Technique of Four Corner Fusion and Proximal Row Carpectomy	Angermann
11.45 - 12.15	Discussion	

Rheumatoid Surgery

12.15 - 12.40	The rheumatoid wrist	Borisch
12.40 - 13.00	Basal thumb osteoarthritis: Trapeziectomy	Davis
13.00 - 13.30	Discussion	
13.30 - 14.30	Lunch	
14.30 - 16.00	Hands on: Brunelli-Procedure, Dorsal-Capsulodesis	
16.00	Closing	

Faculty

Angermann Peter OA Dr. med.

Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Arora Rohit Priv. Doz. Dr. med.

Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Atzei Andrea Dr. med.

U.O. Chirurgia della Mano Policlinico G.B. Rossi, Verona

Blauth Michael o. Univ. Prof. Dr. med.

Head Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Borisch Nicola Priv. Doz. Dr. med.

Handsurgery, DRK-Klinik Baden Baden, Baden-Württemberg

Brenner Erich Univ. Prof. Dr. med.

Institute for Anatomy, Histology and Embryology, Medical University of Innsbruck

Davis Tim Prof. Dr. med.

Handsurgery, The University of Nottingham, Nottingham

Deml Christian Dr. med.

Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Espen David OA Dr. med.

Handsurgery, Marienlinik, Bozen

Fritsch Helga o. Univ. Prof. Dr. med.

Head Institute for Anatomy, Histology and Embryology, Medical University of Innsbruck

Gabl Markus Univ. Doz. Dr. med.

Teamleader Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Luchetti Riccardo Dr. med.

Policlinico Multimedica, Milano

Lutz Martin Univ. Prof. Dr. med.

Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Nienstedt Frank OA Dr. med.

Unità Semplice di Chirurgia della Mano, Reparto di Ortopedia e Traumatologia, Ospedale Tappeiner, Merano

Rieger Michael Priv. Doz. Dr. med.

Department of Radiology, Medical University of Innsbruck

Rudisch Ansgar Univ. Doz. Dr. med.

Department of Radiology, Medical University of Innsbruck

Schmidle Gernot Dr. med.

Handsurgery, Department of Trauma Surgery and Sports Medicine, Medical University of Innsbruck

Zimmermann Robert a.o. Univ. Prof. Dr. med.

Department of Plastic & Reconstructive Surgery, Medical University of Innsbruck
